How to use this catalog

- Pages 5 through 7 show the items available and their prices
- Details for the item (sizes, colors, embroidery options, price) are shown on the pages referred to beneath the item
- Page 30 shows a sample Order Form for single items (Order Forms are available on the clip board on the table up front)

Page 29 shows an Order Form for all items. We suggest that you use the Abbreviated Order Form shown on page 30 for each individual item to avoid confusion.

If you want to order an item, fill out an Order Form and give it to the Merchandise Director, accompanied with your payment, preferably by check. If insufficient orders are received to avoid the shipping and handling charges, orders will be held until the threshold is met. Be aware that prices may change and you may have to pay a small difference when you receive the goods.

The Merchandise Manager will consolidate orders to avoid incurring shipping and handling charges. If insufficient orders are received within a reasonable period of time, you will be advised and agreed upon action (holding the order for future consolidation or cancelling the order) will be taken.

(Note: There are free shipping thresholds; it is now \$50. Need to watch when ordering)

Choosing Apparel Items in the Sir ProShop Site

Before starting, print a copy of the Abbreviated SIR's Merchandise Order Form found on page 30 of the Apparel Catalog found on Brach 136 web site.

On your browser, go to <https://sir.ourproshop.com/>

Proceed to selecting the apparel item of your choice. Products are designed to be selected individually.

Once you click on the image of the template, the site will take you to the landing page for size and quantity selection.

Now that you have made the above selections, please select next.

You will be given the opportunity to edit the editable templates in the studio by adding your text.

Once this is done, you will be given the chance to review your design.

After reviewing the Design, fill in the necessary information on the Abbreviated SIR's Merchandise Order Form you printed earlier and give your order to the Merchandise Director, along with your check to cover the order. (If your order exceeds the free handling and shipping threshold, you should be able to handle the order yourself, without involving the Merchandise Director. That way you won't have the delay most likely due to order consolidation.)

The Merchandise Director will accumulate orders until the handling/shipping threshold is met.

It is planned to make announcements in the newsletter, as well as at the corresponding monthly luncheon meeting on a quarterly basis to remind everyone of merchandise order availability.
