Our third outing of the season was to Mariposa Fairgrounds RV Park, and as usual we had a wonderful time. There were 12 rigs at this outing and as always, good food, drinks and games.

Some went up to Yosemite Valley while others went over to Bass Lake. It was observed that Bass Lake was the size of a large mud puddle, sad. We all spent one day in Mariposa going thru all the neat little shops.

On Tuesday we watched the medivac helicopter recover the two paraglider's bodies that crashed on El Capitan. There were three in the group but only one survived. The Yosemite Museum was closed due to someone stole a large gold nugget. Now how would to that?

We held a birthday party for Ginny Johnson, Betty Bacon and Cathy Lobdell. On Tuesday evening we had a cook your own B.B.Q dinner. Then that evening we had a high stakes poker game of 30 cents? Good time by all.

The event was hosted by Mo & Letty Molinari, Knute & Maryjoan Kleinen and Bill & Cathie Lobdell. Great job, what a team! Our next outing will be to Sugar Barge RV Park in Rio Vista on June 14th through June 17th.
