

Sonora SIRS # 136 RV Club Rovin' Roosters & Chicks

May 2015 Newsletter

Our second outing of the 2015 season was at the Pismo Coast Village RV Resort. There were four rigs that arrived on Sunday: John & Dianne Avila, Rick & Betty Bacon, Jim & Ginny Johnson, Jack & Rosie Walls. The rest of us arrived on Monday for a total of eleven rigs.

Tuesday morning we had a continental breakfast which everyone brought something to share. We have two birthday boys, John Avila & Steve Gaither celebrated their thirty-ninth birthday again!

Later that morning several of us drove to Cambria for antique shopping and lunch at Linn's. Tuesday evening we got together for cocktails and pizza at 5:00 pm. We held a club meeting to introduce our new members, Ray & Judy Feldman. We also discussed our next outing to Mariposa. Mo & Letty Molinari and Knute & Maryjoan Kleinen will be the hosts. Mo reviewed the details of the outing and said that he would send out the menu and further details via e-mail.

John & Dianne Avila took the attendance list for Sugar Barge in June. There will be nine rigs so far but they will call the rest of the club membership for more reservations. Reservations must be in by May 1st for the June outing. Since it is very hot inland that month it seems the coast would be best. I received a call back from Bodega Bay RV Resort and they have 20 sites for us in July. The scheduled dates are July 20th through July

22nd, Monday through Wednesday. I took a vote and we have eight that will sign up for this outing. I will send out a sign-up sheet soon to the rest of the club members. When I know the total number I will send out an E-mail with the details of the July outing. August is our normal Dark Month with no activities. September we are scheduled for Monterey County Fairgrounds and the Monterey Italian Festival. October we were scheduled for Lodi Grape Festival, however Jim Johnson suggested we cancel Lodi and plan the three to four week trip to Sedona and thereabouts.

Wednesday morning was “The Guy’s Breakfast” and Mo’s Fizzes. Rick Bacon, “The Waffle Man”, Jack Walls, “The Sausage Man”, John Avila & Jim Botto, “The Bacon Men”, Marty Martin, “The Egg Man”. There is always plenty of food and cooks to prepare it.

John Avila took Linda Botto on the dunes with his jeep and I still can’t get the smile off her face.

They made it back in time for the Bocce Ball tournament that Mo holds at each outing.

Our new member Ray Feldman and Betty “Boop” Miller were the winners of the perpetual trophy that Mo presents each time he doesn’t win.

For lunch on Wednesday we all walked to the Pismo Beach Pier for Clam Chowder. There was a flea market on the Pier and we just browsed around then walked back to the RV Park for afternoon cocktails in the clubhouse.

Thursday morning we had another continental breakfast then drove into the town of Pismo Beach for more window shopping for a red sweat shirt hoodie with a full zipper for Rosie Walls. We drove back to the Pismo Pier and had lunch at Brad’s for great fish & chips.

Thursday night we drove to San Luis Obispo for a huge street fair featuring a number of local restaurants and Farmer's Market produce. Musicians and dance studio participants entertained us we walked for a couple of miles down Main Street in SLO.

We tried to buy this shirt for Mo Molinari but they did not have his size.

Happy Birthday to our May children:
